

## **Wife families / woman names**

without men's line Ingenbohl (May 2015)

Altogether 206 different surnames are included wives of Immoos in Immoos database. The statistics shows that the Immoos understood it very well, again to provide new blood in the family and also partly to get away from women. A single marrying Immoos is known. Only a very few pairs, especially in the early days of recording in the stud book, the pastor noted in the book about the marriage licenses / dispensations for marriages between unrelated persons.

The ranking of women's names lead Inderbitzin with 17 women. Closely followed by the Betschart with 14 women, both sexes, originating from Morschach or are strongly represented by Morschacher lines.

The other ranks occupy:

- The six women represent the Gwerder, Marty and Steiner.
- Five women make the Suter.
- Four women make up Aschwanden.
- The three women represent the Auf der Maur, Camenzind, Ehrlar, Gisler, Herger, Schmidig and Stössel.
- Two women make up the Abegg, Dettling, Fässler, Galli, Haider, Holdener, Kempf, Kennel, Linggi, Müller, Nideröst, Ott, Schäarer, Schelbert, Schmid, Schuler, Stalder, Tanner and Weber.
